

Helping you to make the move.

We also work with the Senior Move Partnership.

If you are buying one of our apartments, you'll be able to access professional help with your move from the Senior Move Partnership, who offer years of experience with practical advice and guidance to help you sort and downsize your belongings, creating a tailored plan of support to deliver a stress free experience before, during and after your move.

Some of the ways they can make your move easier:

- Help with downsizing and sorting of your belongings
- Creation of customised floor plans to plan the layout of your new home
- Arrangement and management of removal companies
- Help with packing & unpacking
- Ensure the safe and secure disposal of old financial and personal documents

The Senior Move Partnership is a member of the National Association of Senior Move Managers, (NASMM) the leading membership organisation for Senior Move Managers. They are committed to providing the highest standards of practical and emotional support to those who are downsizing and/or relocating.

A typical supported move with The Senior Move Partnership

Before the move, they can:

- Plan your whole move
- Help you find a suitable new home
- Compile an inventory of belongings (detailing what is to be sold, moved or disposed of) and deliver against this
- Space plan develop a working floor plan for the new home
- Support you to purchase new furniture, curtains, fittings etc.
- Carry out all utilities and change of address tasks
- Sort and pack belongings
- Arrange quotes and manage your chosen removal company
- Liaise with your Estate Agent and Solicitor on your behalf.

During the move, they can:

- Provide support for you throughout the day
- Drive you to the new home
- Manage the various tasks associated with moving day.

After the move, they can:

- Unpack at the new home
- Remove all packing materials
- Arrange furniture as per floor plan
- Organise rooms including hanging curtains, pictures and making up beds
- Connect the TV and computer
- Stock your kitchen cupboards for the first day
- Help you settle into your new home and orientate you to your local services, for example, GP.
