Dear customer

Cross Tree Crescent surveys

I hope you are keeping well? We are continuing to progress with the regeneration plans for Cross Tree Crescent and Oakley Flats and as part of this process we need to carry out various surveys of the land and buildings.

For your information, the next survey will be carried out on **Monday and Tuesday 6th and 7th August 2018**. The Surveyors need to attend site to carry out an Ecological Survey. The company that will carry this out is Bagshaw Ecology and their representative on site is David Watts. They will be on site for these two days surveying the entirety of the Bromford site including gardens, ponds and individual property lofts.

If you have any further queries please contact James Trotter as I will not be available due to annual leave. James can be contacted on 07976086134 or via email james.trotter@bromford.co.uk.

Yours sincerely,

Claire Thomas
