Dear

Leaholme Court Survey

As part of our preparations for regenerating Leaholme Court, we need to carry out another survey at Leaholme Court.

We will be digging some trial pits on site around the existing buildings. This involves our surveyors using a mini digger to dig holes – they will be fenced off for safety reasons.

Our Surveyors will be on the scheme to carry out the survey on xxxxxx July 2019 between 8am and 5pm. I would appreciate it if you would not walk through the Leaholme Court site on that day.

Thank you for your assistance

Yours sincerely

Claire Thomas

Dear Mr Lego

Access for Surveyors – 3rd October 2017

As part of our preparations for regenerating Leaholme Court, we need to carry out various surveys on site, which we will use to inform the design of a possible new scheme here.

The first survey we need to carry out is a survey of the land at Leaholme Court. This involves our surveyors identifying the exact boundaries, the levels of the ground and the position of the surrounding properties in relation to the current homes within the scheme.

Our Surveyors, who are Geoff Perry Associates Limited, will be on the scheme to carry out the survey on the 3rd October between 8am and 5pm. They do not need access to your property but you and/or your tenant may see them on site and they will be in the basement and communal areas at various times throughout the day.

Thank you for your assistance with this first survey, if you have any queries, please do not hesitate to contact me.

Yours sincerely

Claire Thomas
