Regeneration – Extension of Initial Demolition Notice

We have been in regular contact with you to find you a new home as your current property has been earmarked for demolition as part of the proposed redevelopment of Hampton Close and Newton Road.

There is an Initial Demolition Notice in place for your property. In order to progress with our proposals to regenerate Hampton Close and Newton Road, Bromford applied to the Secretary of State for an extension to the date of original Initial Demolition Notice issued on 13 March 2013 that is due to expire on 11 March 2020.

Permission has now been granted to issue an Initial Demolition Notice Extension that will expire on 11 March 2022. This extension will give Bromford a further two years to secure planning permission for the site and move all remaining customers. In the short term, we will continue to work with you to identify a new home for you and your family.

We will issue you with an Initial Demolition Notice Extension before 11 March 2020. This notice will also be published in the local newspaper before this date. Other than the date of the notice being extended, there are no other changes that will affect you, and we will continue to help and support you to find you a suitable property.

I will telephone you to arrange a convenient date and time for me to visit you in person to discuss this further.

Yours sincerely,

Jo Parry
