Dear customer,

Regeneration at Clifton Campville

We thought it would be a good idea to update you on the progress made at the Clifton Campville regeneration scheme.

Planning permission

After resubmitting our planning application to Lichfield District Council, Bromford has been granted planning permission to redevelop the homes on Main Street and Lullington Rd. The site layout that we obtained planning permission on can be viewed on our website. We plan to start demolition in late October 2018. As soon as we have a definitive date we will let you know.

Security

As you are aware the site has been made secure with Heras fencing. If you notice anything suspicious or unsafe please could you contact Chris Jefferies (Commercial Property Surveyor) on 07970 849980 or the main Bromford number on 0330 1234 034. It would be very much appreciated if you could also warn children of the dangers of entering demolition sites too.

Enjoy the rest of the summer!

Yours sincerely,

Claire Thomas
Regeneration Manager
