Dear ,

Access for Surveyors – 22nd to 24th February 2017

We are now starting the next phase of the Regeneration process by carrying out various surveys on site, which we will use to help us to firm up the design of the layout of the new scheme.

The first survey we need to carry out is a survey of the land at Paterson Road. Basically, the surveyors are identifying the exact boundaries, the levels of the ground and the position of the surrounding properties in relation to the homes within the site.

Our Surveyors, Geoff Perry Associates Limited, would like to visit to carry out the survey on the **22nd, 23rd and 24th February** between 9am and 5pm. They would like access to the front and rear gardens. Ideally, they need access to all gardens for all days albeit hopefully the works won't take 3 days in total.

Thank you for your assistance with this first survey, if you have any queries, please do not hesitate to contact me.

Yours sincerely

Claire Thomas
