Assisted Move

The following terms and conditions are applicable to anyone who enters into an Assisted Move agreement with Bromford.

1. You agree to Bromford appointing a nominated estate agent who will market and sell your existing property.
2. You agree you will have no control over which estate agent we instruct, or the terms of that appointment.
3. We agree to pay the estate agent's commission plus VAT up to a maximum of 0.5% of the sales price of your existing property provided you legally complete on the purchase of a Bromford property (unless another offer in place).
4. You agree not to instruct another estate agent to sell your existing property until your Assisted Move agreement has ended, that no party is currently negotiating to purchase your existing property and that no introduction has already been made by another party.
5. In the event that any existing contract with your estate agent cannot be cancelled without penalty, or if there is a penalty for dual agency, Bromford will not be liable for any extra fees as we cannot be responsible for obligations contained in third party contracts. Please note that you will be liable for

cancelling your agreement with your existing estate agent and for any abortive costs or dual agency fees according to your contract.

6. You agree to allow reasonable access to your property for viewings and survey purposes and to co-operate fully with our estate agents in their endeavours to market and sell your property.
7. We will continue to market the plot and reserve the right to sell the plot to a proceedable purchaser before an offer is received.
8. We will take a reservation fee of £500 once an offer is accepted on your home. £500 is refundable in the event of you not securing a sale on your existing home, within the agreed period of time stated on the reservation form.
9. Offer can be withdrawn at any time.

2. At the time of presenting this card, the person recommending must have already purchased and legally completed on their new Bromford home.

4. In the event of legal completion not taking place due to either party pulling out of their purchase for any reason the Recommend a Friend offer will be void.
5. Only one Recommend a Friend card can be used on the purchase of any single property.
6. This offer is not available to employees of Bromford, any person connected or related to such an employee, Bromford's agents or any person either connected professionally with this company or offer, or acting in a business capacity.

Help to Buy (England)

Anyone purchasing a new home under Help to Buy in England is subject to the following terms and conditions:

1. This offer is only available on selected new build plots and developments in England only. The maximum property value for Help to Buy is £600,000.
2. Help to Buy is only available on capital and interest (or repayment) mortgages and on properties which are occupied by the individual or individuals taking out the mortgage.
3. Purchasers will be required to raise funding (including a mortgage and a deposit) of not less than 80% of the property purchase price (excluding any mortgage fees). The property will be subject to a first charge in favour of the mortgage company. Purchaser deposit must be a minimum of 5% after the equity loan has been applied. Mortgage lender's criteria may affect any deposit percentage and whether it applies before or after the equity loan is deducted from the purchase price.
4. The Homes England will provide an equity loan to eligible purchasers of not less than 10% and not more than 20% of the purchase price subject to the terms of the equity loan agreement. Based on the maximum purchase price of £600,000, the Homes England will therefore provide an equity loan of up to £120,000.
5. The equity loan provided by the Homes England will be secured by a second charge on the property behind the first charge referred to in Item 3.
6. The equity loan provided by the Homes England will not incur any loan fees for the first 5 years. From the beginning of year 6, loan fees will be payable by the purchaser at an annual gross rate of 1.75% of the loan's value, rising at the Retail Prices Index (published by the Office for National Statistics) plus 1% per year thereafter. Fees don't count towards paying back the equity loan.
7. The equity loan must be repaid within 25 years of legal completion of the purchase of the property whether the property is sold or not.
8. The equity loans will be repayable on the basis of the greater of the price of the property or its market value at the time of future sale or mortgage repayment as opposed to the original purchase price but

disregarding additions or improvements made to the property by the purchaser with the consent of the Homes England. This means that if the property increases or decreases in value, the purchaser will pay the Homes England the same percentage of the new price of the property as the percentage the equity loan was of the original price. This may result in the Homes England being paid more or less than the original loan value.

9. If, on the sale of the property, the price of the property has fallen and there is insufficient money from the sale to repay the equity loans after the mortgage has been paid the purchaser will lose any deposit paid. The Homes England will not however seek to recover the balance of their equity, not otherwise paid out of the proceeds of sale, from the purchaser.
10. The purchaser may repay the equity loan to the Homes England at any time following legal completion. Repayment whether in full or by instalments will be based on the market value of the property at the time of the repayment(s) and the purchaser will have to arrange and pay for the valuation of the property at that time. The minimum instalment value is 10% of the total of the equity loans.
11. Detailed terms and conditions apply to the equity loan which will be made available to the purchaser via their legal advisors as part of the conveyancing process.
