Dear ,

Anson Road regeneration scheme

As we approach the end of the year, we would like to update you further regarding the progress of the Anson Road development.

The off-site gas infrastructure works are now complete and we are moving on to the electricity diversions from the end of this week for approximately 2 weeks. These works will extend into Oakfield Road. Temporary traffic management and traffic lights may need to be in place during this period. We do appreciate the inconvenience that these works cause and will endeavour to keep future disruption to a minimum where we can.

Clearance of the hedges and small trees around the site boundaries will begin during week commencing 7 December. This work will take place within the site and so is not expected to impact on any neighbouring properties.

We now have a full time site manager based on site along with temporary welfare and site cabin facilities.

The site will be closed for the Christmas period from the 23 December to 4 January, please contact Bromford on 0330 1234034 in the event of any emergency connected with the site during this time.

If you have any queries or wish to discuss anything please contact us using the details below.

We hope you have a merry Christmas and a happy new year.

Yours sincerely,

Louise Wooldridge

Project manager
