10th January 2024

Dear ,

Tree Survey at Church Lane, Old Sodbury – Monday 15th January 2024

As part of the proposed redevelopment of 3, 5, 7 and 9 Church Lane, Old Sodbury for new affordable homes, we will need to undertake a series of investigations and surveys over the coming months. The first survey that needs to be done is a tree survey and we have appointed Hillside Trees Ltd to carry it out within the proposed redevelopment site. We need to carry out this survey to prepare a report in support of the planning application.

What does this mean for you?

Hillside Trees Ltd would like permission to access your front and back gardens to carry out the survey of the trees in and around the proposed redevelopment site. They will need to access all gardens in the area.

When will the investigations take place?

Hillside Trees Ltd will carry out the survey on Monday 15th January 2024 at 8:45am. The surveyors will have identification. There is no need for you to be at home while the survey take place unless you wish to be because they just need access to external areas.

I would like to thank you for your co-operation in advance and If you have any queries or problems please do not hesitate to contact me. We will write to you again as soon as we have dates for the other surveys/investigations.

Yours sincerely,

Noreen Twomey
Project Manager
