

Your safety is our concern.

We welcome you to our site and wish your visit to be a safe one.

We ask that you assist us in this by observing a few simple rules.

- Please do not enter any house that is being constructed unless accompanied by a member of our sales team or the site manager. In the interest of **your safety**, entry may be refused during certain parts of the construction work.
- Please do not enter any area which is fenced off and comply with any instructions given by a member of our sales team or site staff. This is to ensure your safety.
- Please ensure that you wear personal protective equipment (PPE) when requested. i.e. a safety helmet, high visibility vest and consider appropriate footwear for your visit.
- You must ensure that children are under your control at all times. They must not be allowed to play on site at any time during your visit.
- Always remain within protected pedestrian routes and keep clear of any moving plant.
- Please observe designated speed limits on site.
- Please park only in designated areas.

Thank you for helping to keep this site a safe one.
