Dear Customer,

My name is James Trotter and I am a Housing Manager at Bromford. I am writing to let you know about an exciting proposal for Paterson Road, which will mean some changes for you, your family and your home.

We want our customers to see our homes as a springboard and believe that if we offer the right home and the right relationship, our customers can achieve more. We are now looking at how Paterson Road can help us to achieve this aim.

The number of flats we have close together in Paterson Road presents a real opportunity for us to invest in the area and we are considering how we can regenerate the flats, and the area around the flats on Paterson Road by demolishing the existing homes and replacing them with modern, energy efficient homes which are affordable for our customers to run.

I know this news may come as a surprise so I'd like to reassure you that any regeneration programme takes time and lots of planning and we will talk to you about our proposals, take the time to understand your views and circumstances and share our plans.

I am sure you have lots of questions and I have arranged an event at Beech Grove Court for you to see some of our ideas and for you to talk to a Bromford colleague and raise any questions or concerns. We would like to invite you on 14th Feb **February between 7-7.30pm**. If you are unable to make this time, please contact Leah Evans on 01285 885067 or email leah.evans@bromford.co.uk to arrange an alternative convenient time. We can also arrange a home visit to discuss what this means for you personally. The directions for Beech Grove Court are at the end of this letter.

Don't worry if you can't make it to the drop in event, Leah will also be able to make an appointment for me to come and see you at home.

I look forward to meeting you soon,

Yours sincerely,

James Trotter
