Dear

Access for Surveyors – 14th and 15th June 2016

We are now starting the next phase of the Regeneration process by carrying out various surveys on site which we will use to help us design the layout of the new scheme. The first survey we need to carry out is a survey of the land at Anson Road – basically the surveyors are identifying the exact boundaries and the levels of the ground and where other homes not involved in the regeneration are sited in relation to the homes within the site. Once we have this, we can prepare a draft of what the new scheme may look like and arrange a consultation event to share this with you.

Our Surveyors, Geoff Perry Associates Limited would like to visit to carry out the survey on the **14th and 15th June** between 9am and 5pm. They would like access to your front and rear garden. Ideally they need access to all gardens for both days albeit hopefully the works won't take 2 days in total and the surveyors will only need access once over this period.

I would be grateful if you could make arrangements for the surveyors to access your rear garden on these days.

I appreciate these dates may cause you inconvenience so if you are only available at a **certain time** please contact me to discuss how I may help.

Thank you for your assistance with this first survey, if you have any queries, please do not hesitate to contact me.

Yours sincerely

Claire Thomas
