Dear customer,

We are now starting the next phase of the Regeneration process. We will be carrying out a Housing Needs Survey of all of the households in Clifton Campville in the near future to find out how many people need housing in the village. This may include people living with parents or relatives who would like to rent or people who are interested in moving from rented accommodation to shared ownership. This information will add to the information you have already given to James when he visited you.

We also wish to survey the land at Main Street and Lullington Road so we can prepare an accurate layout. Basically the surveyors are measuring the distances between houses, identifying the exact boundaries and the levels of the ground.

I would appreciate it if you would allow our Surveyors to survey your front and rear garden. Our Surveyors from Geoff Perry Associates Limited would like to visit to carry out the survey on the **4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> of May** between 9am and 5pm.

If this is not convenient or you do not wish them to survey your garden then I would really appreciate it if you could telephone or email me to let me know on one of the numbers below.

Thank you for your help.

Yours sincerely

**Claire Thomas**  
Regeneration Manager
