Dear

## Clifton Campville Regeneration

Thank you very much for help to date in respect of the regeneration.

We now need our Consultant to carry out an ecological investigation necessitating access to your roof void and would be grateful if you could please arrange for access to be given to your home on Friday 3<sup>rd</sup> March.

The consultants we are using are from Bagshaw Ecology Ltd. They will be on site for the whole day however if you are only able to allow access at a particular time, please let me know and I will arrange this.

Thank you in advance for your cooperation.

Yours sincerely

*Claire Thomas*
