Dear customer,

Paterson Road surveys

We are progressing with the regeneration plans for Paterson Road and Golden Farm Road and as part of this process we need to start carrying out various surveys of the land and buildings. Please don't worry, we won't be demolishing any time soon. Once the surveys are complete we will then come up with a detailed design before inviting you to an Open Evening to view the plans.

We intend the first survey to be carried out on **Thursday 1st June 2017**. Surveyors need to attend site to establish where the drains, electricity cables and telephone cables are laid. They will need access to gardens around the flats and the garage areas in order to do this.

Just a reminder to also keep checking on Homeseeker Plus for homes that you may wish to bid for that will be suitable for your needs.

Thank you for your assistance with these surveys; your help is much appreciated. If you have any further queries please do not hesitate to contact me.

Yours sincerely,

Claire Thomas
