Dear customer

## Anson Road Regeneration

I wanted to let you know that we will be carrying out further investigative works on Anson Road on Thursday 3<sup>rd</sup> August 2017.

We will be carrying out soakaway tests. Our consultants, Ground Investigation and Piling Limited, will be carrying out the work in the front and rear gardens of houses that are currently empty on Anson Road – not at your home.

I would appreciate it if you could ensure that you or your children do not access any of these areas on Thursday. In view of the work to be carried out, it is essential that any vehicles parked in front of or on the empty properties are parked elsewhere for the duration of the investigation.

Thank you in advance for your cooperation.

Yours sincerely

**Claire Thomas**  
Regeneration Manager
