Dear

Leaholme Court regeneration

Home visits and bidding

As you are aware we have met with all of you to discuss where you would like to move to. We have assessed your individual circumstances and explained how we will support you to achieve a successful move.

As you will know a few customers have moved out already and several others will be moving before and after Christmas.

You have registered on the choice-based letting system (Homeseeker Plus) but I would like to remind you just to keep checking every week to see if there is a home on the system that you would like to move to. If so, please make sure you bid. If you are having problems with this please contact me and I will do my best to help you.

Security

We want you to feel safe and secure as more customers move from their homes and more flats become empty. Please can you make sure that the front and rear communal doors to your block of flats are closed at all times and not left on the latch so that other people cannot enter the block.

If the doors are not working correctly please contact Bromford Repairs, 0330 1234 034 to report and request a repair.

Redevelopment proposals

We are currently drafting initial designs for the scheme which we will discuss with Cotswold District Council's planning department. We will then invite you and your neighbours to an open event to see the plans.

Surveys

We have carried out various surveys of the site to date which helps us design the new schemes. Over the coming weeks we will be carrying out a tree survey.

Skips and bulky items

Please could we remind you to use the skip provided to dispose of unwanted items when you move and not to leave bulky items in the communal bin store. If the skip is full, please contact me on 07976 086134 to arrange collection or exchange. The skip is padlocked to stop non Leaholme Court residents using the skip. If you require the use of the skip please contact me so that I can give you the code.

Thank you for your cooperation.

Yours sincerely,

Claire Thomas
