Glos  
GL7 1BU

Dear

## Paterson Road regeneration

We last wrote to you in August to update you on our customer engagement regarding our regeneration scheme at Paterson Road in Cirencester. We have been doing a lot of work in the community since then and thought it would be useful to update you on our progress so far and what will be happening going forward.

### Home visits and bidding

As you will know quite a few customers have moved out already.

You have registered on the choice-based letting system (Homeseeker Plus) but I would like to remind you just to keep checking every week to see if there is a home on the system that you would like to move to. If so, please make sure you bid. If you are having problems with this please contact me and I will do my best to help you.

### Security

As you will have noticed we now have a number of properties empty. We want you to feel safe and secure. Please can you make sure that the front and rear communal doors to your block of flats are closed at all times and not left on the latch so that other people cannot enter the block.

We will be putting up security on the doors and windows of blocks 5-17, 19-29 & 31-41. The reason for this is that we do not want people to enter the empty blocks of flats as they can be dangerous. Sometimes people enter the blocks without permission and it would be very much appreciated if you could warn children of the dangers of entering empty blocks of flats.

### Redevelopment proposals

We are currently drafting initial designs for the scheme which we will discuss with Cotswold District Council's planning department. We will then invite you and your neighbours to an open day to see the plans where we will ask for your views on the design and house types.

I hope this clarifies how we are working with our customers to build new homes that reflect the needs of the neighbourhood.

### **Skips and bulky items**

Please could we remind you to use the skip provided to dispose of unwanted items when you move and not to leave bulky items in the communal bin store. If the skip is full or you notice other people (non Paterson Rd & Golden Farm residents) filling the skip, please continue to contact Bromford.

Thank you for your cooperation.

Yours sincerely,

**Claire Thomas**  
Regeneration Manager
