Dear customer,

## Regeneration at Clifton Campville

As Christmas approaches, we wanted to give you an update on the progress made on the Clifton Campville regeneration scheme.

We submitted the planning application in October 2017 and hope to receive planning in January 2018.

## Security

As you will have noticed we now have a number of properties empty and that Heras fencing has been erected around the site for security. We want the site to be as safe and secure as possible. If you notice anything suspicious or unsafe we would very much appreciate if you could contact Chris Jefferies (Commercial Property Surveyor) on 07970 849980 or the main Bromford number on 0330 1234 034.

We hope you find this update useful and if you have any queries or wish to discuss anything please contact us on the telephone numbers or email addresses below. Also, if you wish to be notified of updates on our website, please provide us with your mobile number or email address so we can let you know when the site is updated.

May we also take this opportunity to wish you all a Merry Christmas and a Happy New Year!

Yours sincerely,

**Claire Thomas**  
Regeneration Manager
