## Anson Road, Alrewas - Regeneration project

You may remember that we wrote to you back in 2016 about Bromford's proposals to regenerate some of the homes that we own on Anson Road.

Although we don't have any firm dates for when the work will start on site, we have prepared some plans which we would like to give you the opportunity to comment on. A 'drop in' event is taking place on **Thursday 24<sup>th</sup> May 2018** at Alrewas Village Hall between xxx to xxx. The full address is Alrewas Village Hall, Wellfield Road, Alrewas, DE13 7HB.

A number of Bromford colleagues will be on hand to talk to you about our proposal and answer any immediate questions or concerns that you may have, and you will also be able to comment on the plans yourself as we are really keen to get as much local feedback as possible.

If you are unavailable to attend on that evening you can either:

- View the plans on our website at: [www.bromford.co.uk/regen/](http://www.bromford.co.uk/regen/). The plans will be available from the **18<sup>th</sup> May 2018**. If you have any comments please email us at: [regeneration@bromford.co.uk](mailto:regeneration@bromford.co.uk) by the **1st June 2018**.
- Or if you do not have access to the internet, please let us know and we can send you a copy of the plans through the post for comment. Please let us have any comments in writing by the 1st June 2018 and send them by post to Claire Thomas at the above address.

I look forward to meeting you on the 24th May.

Yours sincerely,

**James Trotter**
